

SUMMER NEUROSCIENCE INTERNSHIP PROGRAM (SNIP)

**University of Florida
Located in Gainesville, Florida
May 30 - August 4, 2017**

This is a 10 week paid summer internship program during the summer of 2017. Students will receive a stipend and housing near campus will be provided. This is a great way for undergraduate students interested in graduate training to gain mentored research experience. Undergraduate researchers in this program receive amazing hands-on experience in state-of-the-art research and have the unique opportunity to interact with fellow researchers at every level from other undergraduates to department heads, setting them up for future careers in science.

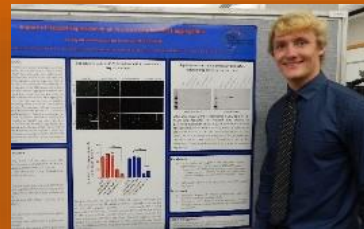

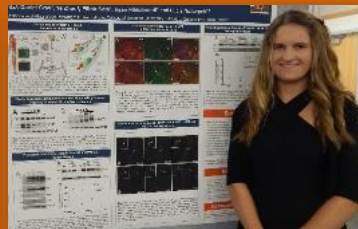

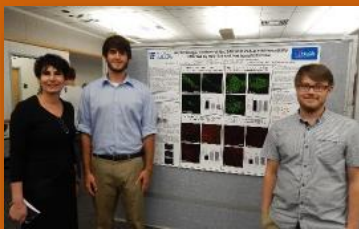

Applications will be accepted from undergraduates at any level in their studies, including recent graduates if they have not been accepted for post-graduate training. No previous research training is required.

APPLICATION DEADLINE: MARCH 15, 2017

We will begin reviewing applications on January 15, 2017. Applications not completed by the application deadline of March 15, 2017 will not be considered.
