

Syllabus: GMS7794

Term: Spring, 2018

Course Directors: Habibeh Khoshbouei, PharmD, PhD. habibeh@ufl.edu
Jeremy McIntyre, PhD. jmcin@ufl.edu

Program Assistant: Sarah Bloom, tysons089@ufl.edu

Class Dates: Thursdays, 9-10am. DeWeese Auditorium

Please see the Attached Scheduled for speakers.

Requirements to receive an "S"

- Attend all Seminars
 - Must Sign-in by 10min after start of seminar
 - After this point, the sign-in sheet will be removed and you will be considered absent for the class.
 - You are expected to stay for the entire class, thru the question and answer session. Students that leave early will be counted as absent.
 - There will be 14 seminars this semester. All students (local and Whitney) are required to submit 2, 1 page summaries of any seminars of their choice.
 - **Summaries must be turned in before the next seminar. We will not accept summaries turned in later than a week following the date the seminar was given. Summaries are to be ¾-1page, single spaced, in paragraph format highlighting key questions/hypothesis/data and conclusions.**
 - ***If a seminar is missed:***
 - Please inform Dr. Khohsbouei, Dr. McIntyre and Sarah Bloom of the absence.
 - You must attend another **neuroscience relevant seminar on campus.**
 - You must submit a 1-page summary of the seminar you attend.

Alternative seminar series that are neuro-related:

Additional Expectations

- Evaluate all UF presenters-*Only when they present and you attend. Do not submit evaluations for seminars that are canceled.*
- Evaluate both Course Directors at end of term
- Please keep suggesting speakers. We have been able to invite some of those nominated, and are working on others for future semesters
